Request for Patent Office To Correct an Error in the Additional Claim Fee

Sir:

The October 30, 2001 Notice to File Missing Parts requires a \$364 additional claims fee computed by adding an \$84 fee for one additional independent claim to \$280 for the multiple dependent claim surcharge. But the \$4380 filing fee already included the \$280 multiple dependent claim surcharge, as is evident from page 2 of the Utility Patent Application Transmittal, which clearly indicates at the top that the \$280 fee is included in the filing fee.

Therefore, Applicants respectfully request that the Patent Office accept the attached \$84.00 additional claim fee as being the total additional claims fee that is due.

The Commissioner is authorized to charge any additional fees or credit any overpayment to Deposit Account No. 06-1205.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our address given below.

Respectfully submitted,
